Registration 4.00pm

Programme 4.15 - 7.30pm

### ***We would like to invite you to come and see Chattertons' experienced advocates in action***

Using the adversarial arena of the Employment Tribunal we will take you through the complexities of a typical discrimination claim.

We will show you how far reaching an employers liability can be under the discrimination legislation as well as providing guidance to assist you in avoiding that liability. We will also provide you with useful pointers on damage limitation if you do find yourself on the receiving end of a claim.

### ***The alternative to litigation***

**ACAS** play an essential role in Employment Tribunal Disputes and will provide valuable information on dispute resolution by way of conciliation.

### ***Access to specialist Employment Advice***

All delegates will have access to Chattertons specialist Employment Law Team and will receive a useful information pack on the issues raised at the Tribunal to take away with them.

**Chattertons have a dedicated specialist Employment Law Team with expertise in advising on all aspects of employment law which impact on businesses today. The team will be on hand throughout the Tribunal to answer any questions you may have.**
