

Joint Chamber Christmas Networking Lunch Thursday 10th December 2009

It is nearly that time of year again when we get together with other Chambers in our region for the very popular Joint Chamber Christmas Networking Lunch, which is being held at the Newark Showground.

This event is slightly different to our usual monthly networking events, as it provides an opportunity to reach approximately **160 businesses from three counties**; Lincolnshire, Derbyshire and Nottinghamshire.

At this event, we have various opportunities for companies in our region from sponsoring this prestigious event to having an exhibition stand on the day.

Sponsorship Benefits

- Your logo on both Chamber websites and all marketing material
- An exhibition table in the foyer and the main room
- Your company literature inserted in all the delegate packs
- Deliver a presentation to all the delegates prior to the lunch being served

There will be ample time before and after lunch to network with everyone attending the event. The exhibition has approximately thirty stands and you will be able to deliver your company information to delegates from all three counties.

This valuable opportunity to deliver to such a wide audience means that the sponsorship and the exhibition stands are booked up quickly, so please book soon to avoid disappointment.

For more information on sponsorship of this popular event or to exhibit, please email Charlotte.Robson@lincs-chamber.co.uk or telephone 01522 523333.
